CONNECTED TRANSACTION IN RELATION TO ACQUISITION OF EQUITY INTEREST IN SHANGHAI SHANGTOU

THE ACQUISITION

The Board announces that on 28 February 2018, SIUD Shanghai, an indirect non wholly-owned subsidiary of the Company, entered into the Acquisition Agreement with the Transferor pursuant to which SIUD Shanghai agreed to acquire the entire equity interest in Shanghai Shangtou for RMB530,827,057.19. Shanghai Shangtou is a company established in the PRC principally engaged in secondary land development.

LISTING RULES IMPLICATIONS

As SIIC, the controlling shareholder of the Company, exercises the authority as a state-owned shareholder of the Transferor, the Transferor is a connected person of the Company. Accordingly, the Acquisition constitutes a connected transaction of the Company under Chapter 14A of the Listing Rules.

As one or more of the applicable percentage ratios in respect of the Acquisition exceeds 0.1% but none of such percentage ratios is 5% or above, the Acquisition is subject to the reporting and announcement requirements, but is exempt from the circular, independent financial advice and independent shareholders' approval requirements under Chapter 14A of the Listing Rules.

THE ACQUISITION

On 28 February 2018, SIUD Shanghai, an indirect non wholly-owned subsidiary of the Company, entered into the Acquisition Agreement with the Transferor pursuant to which SIUD Shanghai agreed to acquire the entire equity interest in Shanghai Shangtou. The principal terms of the Acquisition Agreement are set out below:

The Acquisition Agreement

Date

28 February 2018 (after trading hours)

Parties

Seller: the Transferor

Purchaser: SIUD Shanghai, an indirect non wholly-owned subsidiary of the Company

The Transferor is a connected person of the Company as SIIC, the controlling shareholder of the Company, exercises the authority as a state-owned shareholder of the Transferor. The Transferor is a company established in the PRC principally engaged in investment and investment management in the PRC.

Asset being acquired

The asset being acquired under the Acquisition Agreement is the entire equity interest in Shanghai Shangtou (the “**Target Interest**”). Shanghai Shangtou is a company established in the PRC principally engaged in secondary land development. Certain investment properties and inventories of Shanghai Shangtou identified under the Acquisition Agreement (the “**Carved-out Assets**”) will not form part of the Acquisition, and will be transferred to an entity controlled by the Transferor prior to Completion pursuant to the Acquisition Agreement. Upon Completion, Shanghai Shangtou will primarily hold two secondary land development projects in the PRC. As at the date of this announcement, an entrusted loan with an outstanding amount of RMB940 million is due from a subsidiary of Shanghai Shangtou to the Transferor. Such loan will remain payable by such subsidiary and is expected to subsist following Completion.

Consideration

The total purchase price for the Target Interest is RMB530,827,057.19, which was determined after arm’s length negotiations between SIUD Shanghai and the Transferor taking into account, among other factors, the value of Shanghai Shangtou (excluding the Carved-out Assets) as at 31 August 2017 as appraised by an independent valuer in the PRC of approximately MB530,827,057.19, the business nature and financial position of Shanghai Shangtou, the transaction values of comparable transactions, the business prospects of Shanghai Shangtou and the general market conditions of the secondary land development industry in the PRC.

The total purchase price for the Target Interest is payable by SIUD Shanghai in cash in the following manner:

- (a) RMB477 million is payable to the Transferor within five business days after the date of the Acquisition Agreement; and

- (b) the remaining purchase price (i.e. RMB53,827,057.19) (the “**Second Instalment**”) is payable to the Transferor on or before 30 June 2018.

SI Urban Development has issued a letter of guarantee in favour of the Transferor pursuant to which SI Urban Development agrees to guarantee SIUD Shanghai’s payment obligations in respect of the Second Instalment together with the interests accrued thereon.

The Group intends to finance the payment of the purchase price for the Target Interest from internal resources and/or external financing of the Group.

Completion

Completion is conditional upon:

- (a) the following conditions having been satisfied, or waived by the Transferor, on or before the date on which the equity transfer registration in respect of the Acquisition completes:
- (i) SIUD Shanghai having obtained all necessary authorisation in respect of the execution and implementation of the Supplemental Agreement;
 - (ii) all representations, undertakings and warranties given by SIUD Shanghai remaining true, accurate, complete and not misleading in all respects from the date of the Acquisition Agreement up to the date of Completion;
 - (iii) all necessary consent, approval, licence, permit and formal authorisation (as the case may be) in respect of the Acquisition under the applicable laws and regulations (including but not limited to the independent shareholders’ approval of SI Urban Development under the Listing Rules, if required) having been obtained;
 - (iv) SIUD Shanghai having fulfilled all of its obligations under the Acquisition Agreement prior to Completion; and
 - (v) there being no force majeure event occurred which will render the Acquisition Agreement unenforceable; and
- (b) the following conditions having been satisfied, or waived by SIUD Shanghai, on or before the date on which the equity transfer registration in respect of the Acquisition completes:
- (i) the Transferor having obtained all necessary authorisation in respect of the execution and implementation of the Supplemental Agreement;
 - (ii) all necessary consent, approval, licence, permit and formal authorisation (as the case may be) in respect of the Acquisition under the applicable laws and regulations having been obtained;

- (iii) the Shanghai Equity Exchange having issued the equity transaction certificate in respect of the Acquisition;
- (iv) all representations, undertakings and warranties given by the Transferor to SIUD Shanghai (including all representations and warranties in all certificates, documents and financial statements provided by the Transferor) remaining true, accurate and complete in material respects and not misleading from the date of the Acquisition Agreement up to the date of Completion;
- (v) the Transferor having fulfilled all of its obligations under the Acquisition Agreement prior to Completion; and
- (vi) there being no force majeure event occurred which will render the Acquisition Agreement unenforceable and no material adverse change to Shanghai Shangtou and the Target Interest.

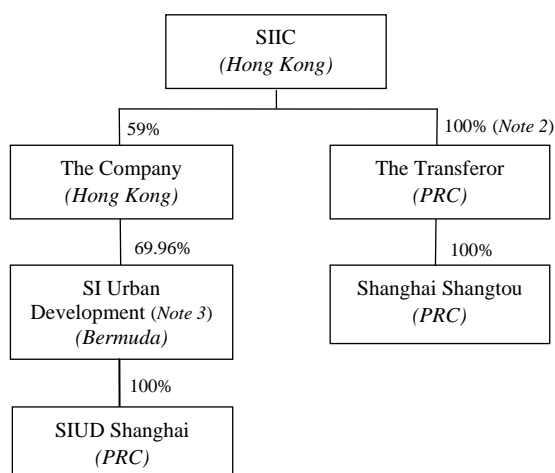

Upon completion of the filing procedures relating to transfers of state-owned assets and the respective internal approval processes of the Transferor and SIUD Shanghai in respect of the Acquisition, the Acquisition Agreement will become effective and the Transferor and SIUD Shanghai will enter into a formal title transfer agreement in respect of the Target Interest in accordance with the requirements of the Shanghai Equity Exchange.

Completion is scheduled to take place within five business days after the Shanghai Equity Exchange issues the equity transaction certificate in respect of the Acquisition. Upon Completion, Shanghai Shangtou will become an indirect non wholly-owned subsidiary of the Company.

INFORMATION OF THE GROUP

The Group is principally engaged in the businesses of infrastructure facilities, real estate and consumer products.

SIUD Shanghai is a company established in the PRC with limited liability. It is indirectly owned as to 100% by SI Urban Development, a 69.96% owned subsidiary of the Company. Its principal businesses are renovation, decoration and construction work and corporate management consulting.

REASONS FOR AND BENEFITS OF THE ACQUISITION

SI Urban Development and its subsidiaries are property developers in the PRC and are principally engaged in the businesses of property development, property investment and hotel operations in the PRC. The Board believes that the Acquisition provides a good opportunity for SI Urban Development to expand into the secondary land development business, which complements its principal businesses. The Acquisition is in line with the Group's strategic integration framework for its real estate segment.

The Directors (including the independent non-executive Directors) consider that the terms of the Acquisition are fair and reasonable, and the Acquisition is made on normal commercial terms and in the ordinary and usual course of business of the Group, and in the interests of the Company and its shareholders as a whole.

LISTING RULES IMPLICATIONS

As SIIC, the controlling shareholder of the Company, exercises the authority as a state-owned shareholder of the Transferor, the Transferor is a connected person of the Company. Accordingly, the Acquisition constitutes a connected transaction of the Company under Chapter 14A of the Listing Rules.

As one or more of the applicable percentage ratios in respect of the Acquisition exceeds 0.1% but none of such percentage ratios is 5% or above, the Acquisition is subject to the reporting and announcement requirements, but is exempt from the circular, independent financial advice and independent shareholders' approval requirements under Chapter 14A of the Listing Rules.

The Company is not a party to the Acquisition. However, the Directors are required to consider the Acquisition as it is a connected transaction of its non wholly-owned subsidiary, SI Urban Development. None of the Directors had any material interest in the Acquisition and thus no Director was required to abstain from voting on the Board resolutions approving the Acquisition Agreement and the transactions contemplated thereunder. Nevertheless, Mr. Wang Wei, Mr. Zhou Jun and Mr. Xu Bo, each being an executive director of the Company and also a director of SIIC,

voluntarily abstained from voting on the Board resolutions approving the Acquisition Agreement and the transactions contemplated thereunder.
