At the annual general meeting held on 24 May 2018, a general mandate was given to the Directors to buy-back Shares up to a maximum of 10 percent of the number of issued shares of the Company at the date of passing of the ordinary resolution. Such mandate will lapse at the conclusion of the 2019 Annual General Meeting. An ordinary resolution set out in the Notice will be proposed at the 2019 Annual General Meeting to grant the Buy-back Mandate to the Directors.

As at the Latest Practicable Date, the total number of Shares in issue was 1,087,211,600. ## LETTER FROM THE BOARD

---

The explanatory statement required by the Listing Rules to be included in this circular is set out in Appendix I to this circular.

### ***Resolutions (6) and (7) – General mandate to issue shares***

At the annual general meeting held on 24 May 2018, a general mandate was given to the Directors to allot, issue and deal with Shares (and securities exercisable or convertible into Shares) not exceeding 20 percent of the issued share capital of the Company at the date of passing of the ordinary resolution. The unused portion of the mandate will expire at the conclusion of the 2019 Annual General Meeting. Two ordinary resolutions will be proposed at the meeting to grant the Issue Mandate to the Directors and to extend the Issue Mandate by adding to it the number of Shares bought back by the Company under the Buy-back Mandate respectively.

As at the Latest Practicable Date, the total number of Shares in issue was 1,087,211,600. On the basis that no further Shares are issued or bought back prior to the date of the 2019 Annual General Meeting, the Company would be allowed under the Issue Mandate to issue a maximum of 217,442,320 Shares, representing 20 percent of the total number of Shares in issue as at the Latest Practicable Date.

The Issue Mandate would continue in force until the conclusion of the next annual general meeting of the Company or the expiration of the period within which the next annual general meeting of the Company is required by law or the Articles of Association of the Company to be held or until the Issue Mandate is revoked or varied by an ordinary resolution of the Shareholders in general meeting, whichever is the earlier.

### **RECOMMENDATION**

The Directors consider that the above recommendations are in the interests of the Company and the Shareholders. Accordingly, the Directors recommend the Shareholders to vote in favour of the above resolutions to be proposed at the 2019 Annual General Meeting.

On behalf of the Board  
**Shen Xiao Chu**  
*Chairman*

This explanatory statement contains all the information required under the Listing Rules for you to consider the Buy-back Mandate.

The Listing Rules permit companies whose primary listings are on the Stock Exchange to buy back their fully paid up shares on the Stock Exchange subject to certain restrictions, the most important of which are summarized below:

### **SHARE CAPITAL**

As at the Latest Practicable Date, the total number of Shares in issue was 1,087,211,600. On the basis that no further Shares are issued or bought back prior to the date of the 2019 Annual General Meeting, the Company would be allowed under the Buy-back Mandate to buy back a maximum of 108,721,160 Shares, representing 10 percent of the total number of Shares in issue at the Latest Practicable Date.

### **REASONS FOR SHARE BUY-BACKS**

The Directors have no present intention to buy back any Shares and, whilst it is not possible to anticipate in advance those circumstances in which the Directors might think it appropriate to buy back Shares, Shares would only be bought back in circumstances where the Directors consider that the buy-back would be in the interests of the Company and the Shareholders. Such buy-back may, depending on market conditions and funding arrangements at the time, lead to an enhancement of earnings per Share.

### **SOURCE OF FUNDS**

It is proposed that buy-backs of Shares under the Buy-back Mandate would be financed from internal funds and available banking facilities of the Company. In Share buy-backs, the Company may only apply funds legally available for such purpose in accordance with all applicable laws of Hong Kong and the Articles of Association of the Company.

### **WORKING CAPITAL OR GEARING POSITION**

If the Buy-back Mandate was exercised in full at any time during the proposed buy-back period, it would not have a material adverse impact on the working capital of the Company or its gearing position (as compared with the position disclosed in the Company's published audited accounts for the year ended 31 December 2018). The Directors do not propose to exercise the Buy-back Mandate to such extent as would, in the circumstances, have a material adverse impact on the working capital of the Company or its gearing position (as compared with the position disclosed in the Company's published audited accounts for the year ended 31 December 2018) which in the opinion of the Directors are from time to time appropriate for the Company.

**DIRECTORS AND THEIR ASSOCIATES**

None of the Directors nor, to the best of their knowledge and belief having made all reasonable enquiries, any of their associates (as defined under the Listing Rules), has any present intention, in the event that the Buy-back Mandate is approved by Shareholders, to sell Shares to the Company.

**CONNECTED PERSONS**

No Connected Persons have notified the Company that they have a present intention to sell any Shares (in issue or to be issued) to the Company or have undertaken not to do so, in the event that the Company is authorized to make Share buy-backs.

**UNDERTAKING OF THE DIRECTORS**

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to buy back Shares pursuant to the proposed resolution in accordance with the Listing Rules, all applicable laws of Hong Kong and the regulations set out in the Articles of Association of the Company.

**EFFECT OF TAKEOVERS CODE**

If, as a result of a buy-back of Shares, a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. Accordingly, a shareholder or group of shareholders acting in concert, could depending on the level of increase of such interest, obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 and Rule 32 of the Takeovers Code.

As at the Latest Practicable Date, SIIC through its subsidiaries, namely Shanghai Investment Holdings Limited, SIIC Capital (B.V.I.) Limited, Shanghai Industrial Financial (Holdings) Company Limited, SIIC Trading Company Limited and SIIC CM Development Limited held 519,409,748 Shares, 80,000,000 Shares, 52,908,000 Shares, 1,064,000 Shares and 10,000 Shares respectively, and is accordingly deemed to be interested in the respective Shares totaling 653,391,748 Shares held by the aforementioned companies, representing approximately 60.10 percent of the total number of Shares in issue.

Assuming no changes in the aforementioned shareholdings of the respective companies, in the event that the Directors exercise in full the power to buy back the Shares, the shareholding of SIIC would be increased from approximately 60.10 percent to approximately 66.78 percent. Such increase would not give rise to an obligation to make a mandatory offer in accordance with Rule 26 and Rule 32 of the Takeovers Code. The Directors are not aware of any consequences of any buy-back which would arise under the Takeovers Code. In addition, the Company will not buy back its Shares which will reduce the total number of Shares in issue in public hands to below 25 percent.

**SHARE PRICES**

The highest and lowest prices at which the Shares have been traded on the Stock Exchange in each of the previous twelve months from the Latest Practicable Date are as follows:

<b>Month</b>	<b>Per Share</b>	
	<b>Highest</b> <i>HK\$</i>	<b>Lowest</b> <i>HK\$</i>
