Basis of entitlement

At the meeting of the Board held on 29 August 2019, the Board has resolved to pay an interim dividend in the form of Distribution in Specie of the SIUD Shares held by the Group to the Qualifying Shareholders whose names appear on the register of members of the Company on the Record Date in proportion to their then respective shareholdings in the Company on the following basis:

for every 1 Share held 1 SIUD Share

As at the date of this announcement, the Group holds 3,365,883,000 SIUD Shares, representing approximately 69.96% of the total number of issued SIUD Shares. The SIUD Shares are listed on the Main Board of the Stock Exchange (stock code: 563).

Record date and closure of register of members

For the purpose of determining Shareholders' entitlement to the SIUD Shares, the register of members of the Company will be closed from Wednesday, 25 September 2019 to Thursday, 26 September 2019, both days inclusive, during which period no transfer of Shares will be effected. As such, all transfers accompanied by the relevant share certificates must be lodged with the Company's share registrar, Tricor Secretaries Limited of 54th Floor, Hopewell Centre, 183 Queen's Road East, Hong Kong by 4:30 p.m. on Tuesday, 24 September 2019. The last day for trading in Shares on the Stock Exchange with entitlement to the Distribution in Specie is expected to be Friday, 20 September 2019.

The Record Date for determining a Shareholder's entitlement to the Distribution in Specie is Thursday, 26 September 2019.

Dispatch of share certificates and CCASS settlement

It is expected that share certificates for the relevant SIUD Shares will be dispatched on or about Friday, 18 October 2019 by ordinary post at the own risk of the Qualifying Shareholders to their respective addresses shown on the register of members of the Company on the Record Date.

In the case of a joint holding of Shares, the share certificate for the SIUD Shares will be posted to the address shown on the register of members of the Company in respect of such Shares on the Record Date.

Investors holding Shares through CCASS Participants are expected to receive the SIUD Shares through their respective stockbrokers or custodians or through their CCASS Investor Participant stock accounts following the dispatch of share certificates of the SIUD Shares. Such investors should seek the advice of their respective stockbrokers or other professional advisers in case of doubt.

Qualifying Shareholders and Non-Qualifying Shareholders

The Distribution in Specie will be available to the Shareholders whose names appear on the register of members of the Company on the Record Date, but will not be extended to the Non-Qualifying Shareholders.

Shareholders with registered addresses outside Hong Kong

Based on the register of members of the Company as at 30 August 2019, there were a total of 9 Shareholders whose addresses as shown on the register of members of the Company were outside Hong Kong, comprising 5 jurisdictions that are outside Hong Kong, including Macau, Canada, the United Kingdom, the United States and Singapore, with a total shareholding of 53,500 Shares, representing in aggregate approximately 0.005% of the total number of issued Shares as at the close of business on 30 August 2019.

The Company had engaged legal counsels to ascertain whether or not there are any legal or regulatory requirements or restrictions which would make extending the Distribution in Specie to Shareholders whose addresses as shown on the register of members of the Company are located in the aforementioned jurisdictions outside Hong Kong administratively prohibitive or inexpedient. Having considered such advice provided by the legal counsels in the aforementioned jurisdictions, the Directors are of the view that:

- (i) with respect to Macau, the United Kingdom and Singapore, the Company has been advised that there are no such legal or regulatory restrictions or the Company has met the relevant exemption requirement(s) in such jurisdiction(s) which would exempt the Company from the obtaining of approval from the relevant regulatory authorities under the applicable laws and regulations of such jurisdiction(s) for the purpose of the Distribution in Specie. The Distribution in Specie will accordingly be extended to the Shareholders whose addresses as shown on the register of members of the Company are in Macau, the United Kingdom and Singapore on the Record Date; and
- (ii) with respect to the United States and Canada, the Company has been advised that there are applicable legal or regulatory requirements or restrictions and the Board considered that, as additional time and resources are required to ascertain the satisfaction of the relevant requirements or exemptions, it is expedient and beneficial to the Company and the Shareholders as a whole to exclude the Shareholders whose addresses as shown on the register of members of the Company are in the United States or Canada on the Record Date from receiving the SIUD Shares and to regard such Shareholder(s) as Non-Qualifying Shareholder(s).

Shareholders with registered addresses outside Hong Kong should consult their own professional advisers as to whether or not they are permitted to receive the interim dividend in the form of Distribution in Specie or if any governmental or other consent is required or other formalities which need to be observed and whether there are any other restrictions in relation to the future sale of any SIUD Shares so received.

Notwithstanding the arrangements with regard to Shareholders with registered addresses outside Hong Kong as described above, the Board reserves the ultimate right to exclude any Shareholder from the Distribution in Specie if it believes that the transfer of the SIUD Shares to such person(s) may violate any applicable legal and/or regulatory requirements in any jurisdiction.

Arrangements for Non-Qualifying Shareholders (if any)

As the Distribution in Specie will not be extended to the Non-Qualifying Shareholders (if any), arrangements will be made for the SIUD Shares which would otherwise have been transferred to any Non-Qualifying Shareholders to be sold in the market as soon as possible, on or after the date of posting of the share certificates for the SIUD Shares (which date is currently expected to be on or about Friday, 18 October 2019), and any proceeds of sale, after deduction of expenses and duties, will be distributed in HK\$ to the relevant Non-Qualifying Shareholders, except that net proceeds less than HK\$100 will be retained for the benefit of the Company.

Cheques representing the net proceeds of the sale of such SIUD Shares, if any, will be sent by ordinary post to the Non-Qualifying Shareholders at their own risk, within fourteen (14) days after the sale of all such SIUD Shares. In the absence of bad faith or willful default, none of the Company or any broker or agent appointed by the Company to effect the sale shall have any liability of any loss whatsoever arising as a result of the timing or the terms of any such sale.

REASONS FOR AND BENEFITS OF THE DISTRIBUTION IN SPECIE

The Board is of the view that the Distribution in Specie is a way to reciprocate Shareholders, with an opportunity for them to participate more directly in the future business growth of our subsidiary, SI Urban Development, and will also help to increase the liquidity of the shares of SIUD Shares in the market.

Based on the foregoing, the Board is of the view that the Distribution in Specie is in the interests of the Company and the Shareholders as a whole.

SI Urban Development has been a subsidiary of the Company whose results have been consolidated in the financial statements of the Company. Following the Distribution in Specie, SI Urban Development will remain as a subsidiary of the Company and its results will continue to be consolidated in the financial statements of the Company.

The profit and loss implications on the Group as a result of the distribution of the SIUD Shares upon completion of the Distribution in Specie may only be ascertained following the date of settlement of the Distribution in Specie.
