Reference is made to the announcements of the Company dated 21 January 2016 and 29 August 2018, respectively, in relation to, among other things, the Shareholder's Loan Facility made available by Hu-Ning Expressway to Shanghai Galaxy in an aggregate principal amount of up to RMB500,000,000. The Shareholder's Loan Facility will expire on 20 January 2022.

On 8 November 2021, Hu-Ning Expressway agreed to extend the Shareholder's Loan Facility available to Shanghai Galaxy on substantially the same terms for a further term of three years from 21 January 2022 to 20 January 2025.

As at the date of this announcement, SIIC is the controlling shareholder of the Company holding approximately 62.90% of the entire issued capital of the Company, and is therefore a connected person of the Company. SIIC (through its wholly-owned subsidiary) holds 10% of the registered capital of Shanghai Galaxy and exercises the authority as a state-owned shareholder of SIIC Shanghai, which is a state-owned enterprise holding 45% of the registered capital of Shanghai Galaxy. Shanghai Galaxy is therefore an associate of SIIC and a connected person of the Company. Accordingly, the Renewed Shareholder's Loan Facility constitutes a continuing connected transaction of the Company under Chapter 14A of the Listing Rules.

As the highest applicable percentage ratio in respect of the Renewed Shareholder's Loan Facility exceeds 0.1% but is less than 5%, such transaction is only subject to the reporting and announcement requirements, and is exempt from the independent shareholders' approval requirement under Chapter 14A of the Listing Rules.

### **Major terms of the Renewed Shareholder's Loan Facility**

#### ***Loan amount***

Hu-Ning Expressway shall upon request provide term loan(s) to Shanghai Galaxy during the term of the Renewed Shareholder's Loan Facility, and the relevant loan amount shall be determined on a case-by-case basis based on the purpose of use, with the maximum amount representing the unutilised portion of the Renewed Shareholder's Loan Facility.

#### ***Term***

The term of the Renewed Shareholder's Loan Facility is three years from 21 January 2022 to 20 January 2025. The duration of each term loan will be negotiated on a case-by-case basis. Each term loan will expire by the end of the three-year period from 21 January 2022, i.e. 20 January 2025.

#### ***Interest and repayment***

Interest shall be the benchmark interest rate of RMB denominated loans for the relevant period as announced by the PBOC (as at the close of trading of the date of this announcement, which is 4.65% for loans of a 5-year period), subject to the negotiation and agreement between the parties at the time of each drawdown. Amounts advanced under a loan shall be repaid at maturity. Shanghai Galaxy may repay the principal amount prior to the maturity date of the loan. Interest shall be repaid on a semi-annual basis.

#### ***Documentation***

In respect of each term loan, individual loan agreement(s) will be entered into between Hu-Ning Expressway and Shanghai Galaxy setting out the interest rate as agreed, the loan amount and the repayment term before the drawdown.

## **Annual Caps**

The annual cap of the Renewed Shareholder's Loan Facility for each of the financial years ending 31 December 2022, 31 December 2023, 31 December 2024 and 31 December 2025 is RMB500,000,000, which was determined based on the possible maximum loan amount that can be granted under the Renewed Shareholder's Loan Facility.

## **REASONS FOR AND BENEFITS OF PROVISION OF THE RENEWED SHAREHOLDER'S LOAN FACILITY**

In line with the Group's development strategy, Shanghai Galaxy vigorously expanded its business in new business areas in the past few years. Currently, Shanghai Galaxy has invested in 15 photovoltaic power projects with a combined capacity of over 740MW, which are all in normal and steady operation. The ongoing projects invested by Shanghai Galaxy are all in stable operation, and the Renewed Shareholder's Loan Facility is expected to continue supplementing Shanghai Galaxy's working capital to support its investment projects and business expansion, which is in line with the Group's business development strategy on infrastructure facilities segment.

The Board (including the independent non-executive Directors) believes that, albeit the Renewal Shareholder's Loan Facility is not in the ordinary business and usual course of business of the Group, the terms of the Renewed Shareholder's Loan Facility are on normal commercial terms and are fair and reasonable and in the interests of the Company and its shareholders as a whole.

None of the Directors has a material interest in the Renewed Shareholder's Loan Facility or was required to abstain from voting on the relevant resolutions of the Board. However, Mr. Shen Xiao Chu, an executive director and the chairman of SIIC, and Mr. Zhou Jun, an executive director and the president of SIIC, as well as the chairman and director of Shanghai Galaxy, have voluntarily abstained from voting on the Board resolution approving the Renewed Shareholder's Loan Facility.
